These self-drive adventures are organised and led by Carla Geysler, the founder of the Blue Sky Society Trust (BSST) and Blue Sky Expeditions who has, to date, led many successful trips into Africa. If you are an enthusiastic adventurer who is passionate about conservation and takes life as it comes, then this is for you! #JWP brings together like-minded people from around the world on trips that focus on visiting and raising funds for wildlife initiatives along the route.

#JWP EXPEDITIONS ARE NOT FOR EVERYONE

Carla tries to handpick the expedition members where possible, always looking for well-rounded individuals of various skills and interests. If you are an enthusiastic adventurer who's passionate about conservation and who takes life as it comes, then our next #JWP expedition could be for you!

REMOTE AND MEMORABLE

These expeditions often involve driving long distances over bumpy dusty roads, camping in remote areas, and at times being without cell service for days and of course giving back through hands-on charity work

This is not a tour but rather a team expedition, and every member of the team is expected to pitch in with cooking, cleaning, camp set up where necessary etc. It is the experience of a lifetime, and we would love to have exploratory fun-filled compassionate spirits along for the ride.
